Policy and reporting requirements for the attending provider

Policy: <u>Michigan Medicaid Provider</u> Manual Chapter Billing and Reimbursement for Institutional Providers Section 2.3.B Attending Provider, MSA 12-55; MSA 13-17; MSA 17-04; MSA 21-45

The attending provider NPI is a requirement for all claims submitted for the institutional claim format with one exception. Hospital-owned ambulance Medicaid enrolled providers submitting Emergency Ambulance Transport claims may report the attending provider NPI, however, completion of this field is not required.

If the attending is not reported, not enrolled, or does not have an active enrollment in Michigan Medicaid on the date of service the claim will be denied. This applies to out-of-state providers and emergency services. Providers are encouraged to utilize the <u>Provider Verification Tool</u> within the <u>My Inbox tab</u> in CHAMPS to verify enrollment.

Attending providers must be one of the following practitioner types, acting within their scope of practice under State law and MDHHS Medicaid policy requirements:

- Physician
- Dental/Oral Surgeon

- CARC B7 RARC M143- The provider is not certified/eligible to be paid for this procedure/service on this date of service
